BY AUDREY FRICK

A powerful vintage where the Merlot and Syrah takes a more prevalent role in the wine’s personality at the moment, the 2022 Tenuta Di Valgiano is a deep purple/red color and is expressive on opening with notes of lavender oil, fresh blueberries, rosemary, and turned earth. Full-bodied, it fills the palate with a youthful plushness at this stage, with a velvety texture and even acidity. It’s going to deserve time in the cellar and will drink well over the following 15 or more years. It will be released in April of 2025.
